

High Point Elks Swimming Pool (2010)

Dear Members,

Can you believe it! The summer season is almost here and everybody is looking forward to another great pool year. Included in this letter are all the things "you need to know." Through this letter and attachments we hope to communicate information regarding hours, rules, and any changes for this year so that every member has a fun and enjoyable time at the pool – so, please read carefully, we know it makes for a more enjoyable summer if our members are familiar with hours of operation, rules and regulations, etc.

Opening day will be Friday, May 28th at 4:00pm (reminder pool will close at 9:00 on May 28th). You are invited to bring a prospective member. We will have our traditional Free Hot Dog Party on Saturday, May 29th beginning at 2:00 pm. The pool will remain open through Labor Day, September 6th. Pool committee members will be available to answer questions regarding rules, regulations and the operation of the pool for this season.

We look forward to a great time at the Pool this year. There will be the usual number of planned activities (School's Out Party, 4th of July, Family Camp Out, and others), an exciting Swim Team season and of course all the volleyball you can handle. We urge all members to join the pool – take advantage of the fun and make use of the facility.

Summer Volleyball leagues will start soon after the pool opens. Summer league sign up sheets will be posted on the bulletin board at the main pool entrance. We will again have our Friday night co-ed 6 vs. 6 league and our "open" 4 vs. 4 league on Sunday afternoon for those adults looking for an even more challenging game. These leagues are for Elks members only. Additional formal and informal leagues and play may be created if the interest supports them. More details will be provided in upcoming newsletters and on our website at <http://www.hpelks.com>
