*July message
from our*

Exalted Ruler

Everyone's enjoying the pool now thanks to volunteers

The month of June is now behind us, and our pool opening was a huge success, I would like to thank **Tom Day, Rusty Evans**, and the rest of the pool committee for a job well done. It is no easy task to prepare our pool and volleyball court for opening day, It was nice to see so many volunteers out there working to get the job done.

I have heard numerous compliments on our new Grille menu, the change seems to be a big hit this summer, so if you haven't ordered anything yet, I suggest you give it a try. Our "Grill Staff" has really stepped up their game.

The Camp Carefree fundraiser held in our lounge on May 22nd was well attended, Special thanks goes out to **Beth Hawks** and **Deanna Blankenship** for coordinating this event and raising over \$1000.00 for Camp Carefree.

I would like to send a message out to all members, If you know anyone on our lapsation list of members (posted in the Lounge) please feel free to give them a call, to ask if they have forgotten about their 2010-2011 membership dues. We are anxious to get them back into our Lodge, and they can contact me or the Lodge office with any questions or concerns.

Through the winter months and with normal traffic in our Lounge, the carpeting was in dire need of professional type cleaning, One of our members "**Eddie Whitman**", stepped up and brought in a heavy duty industrial carpet cleaner and did a fantastic job cleaning the carpeting. Thank you very much Eddie. Please don't forget to thank Eddie when you see him.

As we head into the Fourth of July and the rest of the summer, I ask everyone to enjoy our great facility, be safe, and stay positive.

Fraternally yours

Russ Pallaci, Exalted Ruler

Have we contacted you yet?

The **Elks Lodge** has been assembling an email list to notify our members of special events, calendar changes, or information that is not available at the time the newsletter is presented to the printer. If you have not received an email in the last month, then we either do not have your correct email address or do not have one for you at all. Please send us your email address if you would like to be included. You may send it to **Elizabeth** at the **Lodge Office** (hpeleks1155@triad.rr.com) or to **Mark Anthony** (gcscaesar@northstate.net).

A Request from the Lodge Office

Elizabeth in the Lodge Office has requested that if anyone sends a check to the office please note on the check what it is for. We have numerous checks that come into the office at all times of the year. With all of the different events such as pool activities, music nights, special dining events and membership dues that come in, it is sometimes difficult to determine what the checks are paying for. If you can include your membership number also, that will help make Elizabeth's job easier. She says "Thank you" in advance.

Thank You!

I would like to thank everyone for attending the **Benefit for Camp Carefree** on May 22 and surprising **Mark Vernon** for his 50th Birthday Party! Since his birthday was officially the week before, he was totally surprised and turned a little red with embarrassment from all his friends being there for him. Thank you **Mark** for you and your friends giving the **Lodge** a helping hand in raising \$1063.25 for **Camp CareFree**.

I would like to extend a special thank you to **Vanessa Slack, Beth Hawks, Linda Transou, Sally Ledford, Trish Marsden, Carol Hoover, Linda Camp, Tommy Frazier** and friends, the musicians and the bartenders that night in helping me plan the party, invite friends for the event, decorate for the night, selling 50/50's, greeting guests at the door and holding **Mark** at bay until it was time for him to walk through the door! The night was a great success and I believe all had fun.

***Many Thanks,
Deanna Blankenship***

What Impact do You want to Make?

The **High Point Elks Lodge #1155** is considering applying for one of the **Impact Grants with the Elks National Foundation**. **Impact Grants** give us, as Elks, the ability to build a stronger community and help increase community awareness about the service work of the Elks organization.

We want to use this grant to make a significant difference in the community by addressing a need that we feel will help the area or to help educate a large portion of the population, i.e.-children, seniors, young adults, etc. To see other past grants that were awarded, please go to **www.elks.org** and click on the **Impact Grants Awarded** link.

We want this **Impact Grant Project** to include a high level of **Lodge** participation, so we are asking for suggestions from everyone on a project that we all can be involved in creating and enjoy implementing. A folder will be placed in the **Lounge** on the wall for you to submit your suggestions. If we are to receive a grant this year, please submit your suggestions by August 2nd. We have to submit the grant application to the **Elks National Foundation** by August 31. If we do not receive enough interest this year, we will keep it posted and apply for an **Impact Grant** for the year 2012.

Please remember that Impact Grants are competitive grants, and not every application will be approved. The Foundation draws from a grant pool of \$500,000. Impact Grants of up to \$10,000 will be awarded to the highest rated applicants.

This year's grants will be announced toward the end of ENF Month in October 2010. Let's pool together our ideas and make an positive impact on the community.

June Elk of the Month

Our **Elk of the Month for JUNE** is **Jim Pettie**. **Jim** became very involved in the repainting of our Pool house locker rooms. Without **Jim's** expertise in the paint field and his obvious painting skills, our locker rooms and lockers would not look as fine as they do. Dressed in full gear including hood and respirator, **Jim** spent hours sealing and painting to get the rooms finished by opening day. Thank you **Jim** for all that you do for the **High Point Elks Lodge** and congratulations on being our **June Elk of the Month**.
