Exalted Ruler

Another busy month at the Lodge is on the way

Our Lodge was as busy as ever in the month of July. Our annual 4th of July pool party was once again a fun event for children and adults of all ages. Volleyball teams are more competitive than ever, "Corn hole" tournaments are a weekly event, and you can occasionally enjoy some live acoustic guitar music on the deck. This is what summer is all about at the Elks Lodge.

Monica and I represented the High Point Elks Lodge #1155, at the **Elks National Convention** in Orlando this year, We had the opportunity to meet many Elks from around the country. The Convention was both entertaining as well as educational, This is definitely a must do event for any Elk. One of the highlights of the convention was when all of the ER's from the states of, New Mexico, Illinois, North Carolina, South Carolina, New York , Wisconsin, Texas, Arkansas, Tennessee, and Louisiana, met poolside on the final night of the convention and recited the 11 O'clock toast as a group to the State Association Presidents.

I would like to Congratulate our **Elk's Swim team** for their GREAT.. 3rd place finish in the 2010 Championship Meet. My Thanks go out to **Laura** and her **coaching staff**, and to all the **parent volunteers** for their help and support throughout the season.

As we head into August please remember to come to the Lodge on Aug. 7th for our **Camp Carefree Fundraising Event** we will be a host stop off for the **Camp Carefree Motorcycle Run** this year, this will be a family event, and we really need to show our support.

Fraternally yours

Elks on the road to volunteer for NCSRO

On July 14, members of the High Point Lodge traveled to Calabash, NC to feed 200 North Carolina School Resource Officers and their families. This is the 14th year we have done this. Thanks to **Ed & Dottie Roberson, Lindsey Welch, Sandy Hand, Jimmy Bertschi, Patti Reece** and **Shari Driscoll** for their help in making this a successful event...again!!!

A Request from the Lodge Office

Elizabeth in the Lodge Office has requested that if anyone sends a check to the office please note on the check what it is for. We have numerous checks that come into the office at all times of the year. With all of the different events such as pool activities, music nights, special dining events and membership dues that come in, it is sometimes difficult to determine what the checks are paying for. If you can include your membership number also, that will help make Elizabeth's job easier. She says "Thank you" in advance.

In 2010, the **HP Elk's Swim Team** had a record setting year in the SWIM FOR CANCER fundraiser sponsored by the American Cancer Society. SWIM FOR CANCER is the longest, most continuously running fundraiser in the nation for the American Cancer Society.

Members of the swim team solicited sponsors to pay them for each lap they swam during the special SWIM FOR CANCER event held on June 23rd. Bake sales, a "pie the coaches" event, slime contest and a raffle helped to raise additional funds.

This year the **HP Elk's Swim Team** raised \$ 8,816.25, a **91% increase** over last year's giving. The team placed 8th out of 23 swim teams in the Greensboro Swim League. A special mention goes to **Aaron Key**, our top individual fundraiser, who raised \$ 305. We would also like to thank **Laura Slack**, a former swim coach at the Elk's who raised \$ 340 and to the **Schwenke** family for their generous contribution during the July 4th festivities.

In total, the 2010 **Community Swimming Association** fundraiser netted nearly \$ 200,000 for the American Cancer Society this year alone and nearly \$ 3 million total since its inception.

The swim team would like to thank the following businesses and/or individuals for their contributions to the raffle prizes: **AllSports Graphics, Team Connection, Jersey Mike's, Rol-R-Rink, Lori and Bill Casazza with the YMCA Dolphin Swim Team, Rob Rooks with Star Aquatics**, and our own **Elk's Swim Team Coaches!**

We hope to have the full support of the every Elk's member next year as we strive to find a cure for cancer with the American Cancer Society.

Thank you,

Kelsey Dumoulin

What Impact do you want to Make?

The **High Point Elks Lodge #1155** is considering applying for one of the **Impact Grants with the Elks National Foundation**. **Impact Grants** give us, as Elks, the ability to build a stronger community and help increase community awareness about the service work of the Elks organization.

We want to use this grant to make a significant difference in the community by addressing a need that we feel will help the area or to help educate a large portion of the population, i.e.-children, seniors, young adults, etc. To see other past grants that were awarded, please go to **www.elks.org** and click on the **Impact Grants Awarded** link.

We want this **Impact Grant Project** to include a high level of **Lodge** participation, so we are asking for suggestions from everyone on a project that we all can be involved in creating and enjoy implementing. A folder will be placed in the **Lounge** on the wall for you to submit your suggestions. If we are to receive a grant this year, please submit your suggestions by August 2nd. We have to submit the grant application to the **Elks National Foundation** by August 31. If we do not receive enough interest this year, we will keep it posted and apply for an **Impact Grant** for the year 2012.

Please remember that Impact Grants are competitive grants, and not every application will be approved. The Foundation draws from a grant pool of \$500,000. Impact Grants of up to \$10,000 will be awarded to the highest rated applicants.

This year's grants will be announced toward the end of ENF Month in October 2010.

Let's pool together our ideas and make an positive impact on the community.

Thank you,
Deanna Blankenship
