# August Message from our Exalted Ruler

*It was my honor and privilege to represent our Lodge at the 2013 National Convention in Reno! Grace and I did return with a couple of dollars left! We met many wonderful Elks and I learned a great deal about Elkdom country-wide! The voting of resolutions took place on Tuesday of the Convention. The results and how I voted are posted in the Lounge for your review. One of the big topics of the Convention was Community Relations. We have grants available to us for helping out in the community. Please let us know if there is a particular project or organization that you believe would benefit from our assistance. This helps the organization or project that needs it and also helps to promote our Lodge!*

*July was a fun and busy month for our Lodge! Thanks to the Pool Committee and the Ladies Auxiliary for their contributions to make July 4th another fun event! Also I want to thank everyone that helped out with the Camp Carefree breakfast as we were able to collect over \$300 to contribute to this wonderful cause.*

*I would like to extend a special thank you to Ed Roberson for coordinating the cookout for the School Resource Officers in Charlotte. Ed and volunteers Donnie Miller, Drew Albertson, and Tyler Hendrix fed over 300 officers barbeque for the 20th year!*

*I hope that everyone enjoyed Membership Appreciation Day with food and entertainment on July 13th. I would like to congratulate the Swim Team for a great season. I am sure they enjoyed the pool party on the 20th!*

*There are many great events planned for August. Please go to the website to see what events you would like to attend! Also, be on the lookout for the postcard that the House Committee sends in the mail that shows the events as well.*

*Enjoy the rest of your summer!*

*Fraternally yours,*

## Elks Care, Elks Share.

Elks Lodges bring so much more to their communities than just a building or pool. They are places where neighbors come together, families share meals, and children grow up. Elks invest in their communities through programs that help children grow up healthy and drug-free, by undertaking projects that address unmet needs, and by honoring the service and sacrifice of our veterans.

# Happy Birthday to all our August Elks

# Membership News

*Hopefully many of you were able to make it to the Membership Appreciation event on Saturday, July 13<sup>th</sup>. The Lodge served free hotdogs to Lodge Members and their families. Additionally, free entertainment was provided poolside with Vern, Tuck, and Stormin' Norman playing a 2 hour set of great music for those present. Thanks to everyone that helped to put on this event.*

*As we move into late summer, new Member initiations will slow to a trickle as is normally the case this time of year. However, now is not the time to take a break from working on improving our Membership. If you are aware of a Member that has not renewed dues for the 2013 – 2014 year, please reach out and encourage them to come back. Membership is the livelihood of our organization.*

*Finally, I would like to recognize 6 members that have been honored by the Elks National Foundation (ENF) with the Leading to Loyalty Award. These individuals are recognized as contributing to the ENF for a number of consecutive years. If you see them, please give a warm thanks for their ongoing support and contributions.*

## July Elk of the Month

*The August Elk of the Month is [Nick Tribble](#). Nick is currently a Pool Committee member and has helped with the many chores that are required to get the pool in “operating” condition. He also did the karaoke for the Swim Team party, and organized our Cornhole tournament to name just a few! We always need volunteers like Nick and I greatly appreciate his contributions!
