## **Message from our Exalted Ruler**

*Greetings fellow Elks! I have just returned from a very successful National Elks Convention, which was held in New Orleans July 12 – 17. It was a great honor to represent our Lodge at this annual event. In addition to attending various Elks business and educational events, Ashley and I were able to meet a great number of Elks from across our great nation. It was helpful to hear about both the challenges and successes of other Lodges and the programs in place to address them.*

*One particular session was dedicated to membership and public relations. It was very encouraging to see that the Elks as a whole is prepared to dedicate additional resources towards these two very important areas. In the near future, educational opportunities will be posted to the elks.org website to help local lodges create a better public relations presence. Education will include items such as documents and webinars that provide tips to increase local Lodge awareness throughout the community.*

*Speaking of membership, we have broken the 600 member mark for our Lodge! This is a great accomplishment that could not have been achieved without every single member's help. Continue to strive for excellence and thank you for all the hard work you do to make our organization great!*

*A huge congratulation goes out to our 2014 Elks Swim Team. They finished the regular season undefeated! Another huge accomplishment for our Lodge. Thanks to the swim team committee, coaches, parents and especially the swim team participants for such hard work and dedication.*

*I hope to see you at the Lodge soon!*

*Fraternally,*  
**Steve Martin**  
**Exalted Ruler**

## **Elks Care, Elks Share.**

Elks Lodges bring so much more to their communities than just a building or pool. They are places where neighbors come together, families share meals, and children grow up. Elks invest in their communities through programs that help children grow up healthy and drug-free, by undertaking projects that address unmet needs, and by honoring the service and sacrifice of our veterans.

Our artistic enlightenment doesn't stop there; we'll move on to design Paisley patterns, an ancient design embraced by many cultures. Then, Asian paper lanterns will shed light on the Far Eastern design styles. Our travels end in Russia as we illustrate a mainstay of Russian architecture - the onion dome. These classes will be messy fun, so dress appropriately.

## **Message from our Ladies Auxiliary President**

*It's hard to believe that we will be starting back to school in 4 weeks!!! As we enjoy our last few weeks of summer I want to take a minute and thank everyone who has supported and volunteer to help our Ladies Auxiliary! Without all the wonderful people to help our Lodge wouldn't be what it is today!*

### ***SAVE THE DATE – Saturday, September 13<sup>th</sup>***

*Get the chance to relive your prom all over again. Come dressed to impress with your best taffeta dress or ruffled shirt as this promises to be the best 80's prom party you've ever attended. We will be blasting the sounds of Bon Jovi, Prince, Madonna and Journey! Tickets will include admission, dinner, prom pictures, a DJ and Punch, possibly spiked.*

*L.A. Concessions: attention to anyone who is interested in helping us sell goodies from 11-2 Wednesday, Thursday & Friday - we have some open slots in August available. You do not have to be a member of the auxiliary. We are doing this so that the people that come to the pool during the day can have some goodies to munch on. If you have any interest please contact Laura Pallaci @ [lauradurr2@yahoo.com](mailto:lauradurr2@yahoo.com)*

*Sincerely,*
