Exalted Ruler Letter

The dog days of summer are almost behind us, and what a terrific summer it has been. August seemed to be either very hot out, or nothing but rain—with not much in-between.

Lucky for us we had the pool to beat the heat, and events planned inside to stay dry. Hopefully you had a chance to enjoy the pool at some point in August, or enjoyed one (or more) of our

happenings like Italian Dinner night, Name That Tune Trivia night, Camp Carefree silent auction, Ladies Auxiliary Island night, New Member Social and so on... once again your Lodge worked hard to offer the members and their families a place to go for memorable and enjoyable times.

Please remember that just because the pool closes soon (booooo!) doesn't mean the Lodge closes as well, if anything it is just the opposite. Soon we will be doing our weekly events like "Family Grille Night" on Thursdays and Mike Cockerham will be serving up his world famous "Mike's Wings" when the NFL season rolls around. The Lodge is a great place to watch all of the NFL action no matter what team you root for. The House Committee and Lodge will still be coming up with events for all of us to enjoy like the Chili-Cook off, Band nights, Music Trivia, the Halloween party, the VA Benefit Car Show (in conjunction with the Greensboro Lodge), our Mel Foster Reverse Raffle, among others. I hope you check out the "Upcoming Events" on the weekly email blast and on the website often, as it is the best way to "be in the know".

Be sure to check out this entire newsletter and our website for all the happenings from August and what we have planned for September and beyond!

Congratulations to Stewart McGlaughlin for being named our August Elk of the Month.

I hope to see you at our Lodge soon!!!

Fraternally Yours,
Tom Connolly
Exalted Ruler

ELK OF THE MONTH

*Stewart
McGlaughlin*

Our next Elk of the month is no stranger to winning awards from our Lodge. He has been awarded the prestigious Elk of the Year award not once, but twice. He is actively involved in many areas of our Lodge and constantly tries and find ways to improve things for our members and their families. In August he ran yet another successful Trivia Night for us that was enjoyed by everyone who attended — and it was a packed house that night! So please help me congratulate the Social Media Czar himself — Stewart McGlaughlin. He is another terrific example of what makes our Lodge so great by selflessly contributing his time and knowledge to make sure our events, news, and community service are promoted via several social media avenues. We are very lucky to have him as a member of #1155 and I'm honored to call him a friend. Thanks Stewart for all you do and congratulations on being our Elk of the Month!

Special Announcement!

Our High Point Mayor, Jay Wagner, will be honoring our Lodge by issuing an official Proclamation at the 9/16 City Council meeting celebrating the

110th Anniversary of our High Point Lodge.

It would be great to have as many members attend as possible for the brief ceremony at the beginning of the regular City Council meeting. It will only last for about 10 minutes, and you can leave after the Proclamation is read or you can stay for the rest of the meeting if you choose.

It is a great honor to have the city of High Point recognize our 110 years of serving our local community, let's show our support for this event!

Meeting: Monday, 9/16/19 at 5:30pm

Location: Council Chambers

3rd Floor of the Municipal Building

211 South Hamilton Street

High Point, NC 27261

DISTRICT DEPUTY MEETING

The High Point Lodge had the pleasure of hosting the District Deputy clinic in August.

The meeting was well attended as we had visitors from all over the West Central District. Lots of good dialogue was had, ideas and issues shared and overall the meeting was a big success.

Thanks to all the Officers who helped plan, set-up and ran the clinic, once again the HP Lodge represented well!!

PARKING EXPANSION

A BIG THANKS to Leading Knight Tim Hight for all his hard work on getting us all the stone AND getting it all spread out and flattened down to improve our overflow parking area. If in the past couple of years you ever parked in the "front" end of the field, especially after a rain, it was not an easy or fun walk. This was a project we had talked about for quite some time, but other higher priority issues came up (like plumbing, new A/C units, etc..) so this kept getting put on the back burner. Lucky for us, Tim was able to get the stone delivered, rent a machine, and did everything that needed to be done to complete this project. This was a much needed improvement to our Lodge's parking lot and we are grateful for Tim seeing and seizing the opportunity to make it happen.

Italian Dinner Night

A Big thank you the Pallaci family for making our Italian dinner night not only possible, but as delicious as it was!!

Everything from the food, the wine, the table cloths, the décor and the music made it a very enjoyable night for all who attended.

From the Deep End

As our season closes on another fun summer at the Lodge, I wanted to take this opportunity to thank all of our Members, their families and guests who spent time enjoying our pool or shelter.

In my eyes this summer at the Lodge and pool was a success, and I'm very proud of the effort of our various Committees (Pool, House, Swim) made to make sure things were prepared and ran smoothly as often as possible. From an amazing 4 day opening weekend complete with a heat wave and record attendance, to Swim Meets that went off without a hitch, even when Mother Nature threw us curveballs at 2 out of our 3 home meets, we were able to make sure both teams had a safe and secure place to go to wait out the storm, to another packed fun 4th of July and beyond, our Lodge and pool showed why we are the place to be at, swim at or swim for during the summer! When our committees work together like they have again this year, we can do amazing things at our Lodge. Congratulations and thanks to all of them!!

However, since this is the "From the Deep End" article, I would like to brag specifically on our Pool Committee, as once again they did an amazing job for us. Our pool was down or closed a minimum amount of time (that we could control), and we had almost no plumbing issues in the pool bathrooms. Chairs and chaise lounges were repaired or re-strapped, and the water was clear and moving all summer for people to enjoy. Last year's bugs and bee problem seemed to have gone away as well, perhaps do to our spring time spraying of the grounds. Gutters were fixed, things were painted, pipes were repaired, lights were installed, a hot water heater was replaced, limbs were trimmed, and wooden stairs were built. Honestly the list goes on and on, but those were the few I recalled. Most people have no idea the effort it takes from our Pool Committee to handle the various issues that arise when the pool season is underway, and they are in constant communication to make sure everything that needs to be handled is. During the summer, we try and do what we can before the pool is open, or after it closes, as to not interfere with people's relaxation or fun time at the pool. Also, please keep in mind that just because the summer is over, that doesn't mean these guys aren't still working hard. There is almost as much work to do once the season is over as there is to do during it. I know I am biased, but I truly think this is one of (if not the best) committees we have, and it's an honor to call them all friends and work with and beside them. Please be sure to take a moment and say "thanks" to these guys if you see them for all they do. Remember, they are volunteering and taking time away from being with their families, so you can make memories with yours.

From the Deep End

Lastly, I'd be remiss if I didn't give a HUGE THANK YOU to Alex Best this year for being our Pool Manager. Everyone I talked to was thrilled Alex was back at our pool this year and managing the guards and doing all he does to make sure the Pool is ready each and every day. This young man has a bright future in front of him, and it was a pleasure working with him this season—he taught me a lot this summer and I am grateful. Also, thanks must go out to our entire CPM crew this year, as I feel they have done a great job for us all summer long. Our guard staff did have a lot of younger/inexperienced people on it than ever before, but they did not let them stop them from making sure they did the best they could do. As a matter of fact they won the coveted "Staff of Excellence Award" from CPM in July. I hope all of them can return for us next year and help us have another great summer at the pool!

Fraternally yours,
Tom Connolly
Pool Committee Chair
