

The Bugle

Elks pledge "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." The Elks National Veterans Service Commission takes that pledge one step further, and promises service to our nation's veterans and military members, with a special focus on service to those in need.

Thousands of Elks volunteers give generously of their time, energy and resources to serve veterans and military members each day, to ensure that pledge is not an idle one.

Today, Elks volunteers provide direct service to veterans in more than 330 facilities each month. Through our grants to Elks Lodges, we connect with veterans and military members in their communities, providing them with services where they live. We help veterans rehabilitate and thrive through adaptive sports programs and therapy kits. And our Welcome Home initiative is reaching out to some of our most vulnerable veterans: those who are experiencing homelessness.

Exalted Ruler Letter

The month of October was one for the record books, although one that we could have done without. October was a time when we all rolled up our sleeves and showed what is possible when we live our motto, "Elks Care, Elks Share." We started by creating a collection after our secretary Karen Schumann reached out with a list of items that were needed, we got it published on Facebook and our website with the help of TC and Stewart, and then you all reached out with overwhelming support to our friends in the Mountains. Now that we have it, what do we do with it all? With a collaboration from the Greensboro Elks Lodge, we (Gunny, Karen, Stewart, Nikki and I) took all the donations to Greensboro and loaded them into 26' trucks headed for the airport in Statesville where they would be airlifted to those in need. We continued to collect donations, and we made another trip to Greensboro to deliver a second load of donations. Greensboro Elks Lodge has delivered TEN 26' truckloads of donations to our neighbors in the west. We were just one Lodge out of 32 in the state that made sure that those in trouble got the supplies that they so desperately need. We were fortunate even to represent our Lodge at the fall conference and we were able to hear all the good things done by all the Lodges throughout the state. You should all be very proud to be part of such a great organization. We didn't stop there... fast forward 2 weeks from then to Elkapolooza.

On October 19th, a collection of 6 different bands played at our Lodge. There was a bake sale, BBQ, a silent auction, and t-shirts made on the spot. The fact that this event could be put into place and executed within a couple of weeks, shows what can be done when people who care get together to support such a worthwhile cause. A huge thank-you goes out to Bob DeLuca for organizing, coordinating, and calling in favors. There were so many people that volunteered to make this event the success that it was. Whether you attended, donated, or volunteered, all your efforts were greatly appreciated. At the darkest moments of the lives of those affected by the storm, our efforts started to give them hope that eventually everything will be OK.

Finally, November is a time to remember our Veterans. "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." Throughout the course of American history, courageous men and women have taken up arms to secure, defend, and maintain the core principals upon which our Nation's freedoms depend. Your bravery and sacrifice to a grateful nation will never be forgotten. May this day be forever rooted in our hearts as a day to respect and honor the great, brave patriots who gave a part or all their lives to this nation. To all our members who are Veterans, Thank you for your service.

I hope to see you around the Lodge sometime soon!

Over 1,300 veterans attended High Point's Veterans Benefit Live Event in October to access their Service Benefits. Our Lodge's ENF Beacon Grant provided lunch for over 200 of these veterans.

Last month we provided 2 more Welcome Home Kits to local homeless veterans transitioning into housing!

Veterans Committee provided for the Arthur Cassell House to get their sign pressure washed and repainted. Thanks to Bob Danser who coordinated getting this done!
